

Driver Card

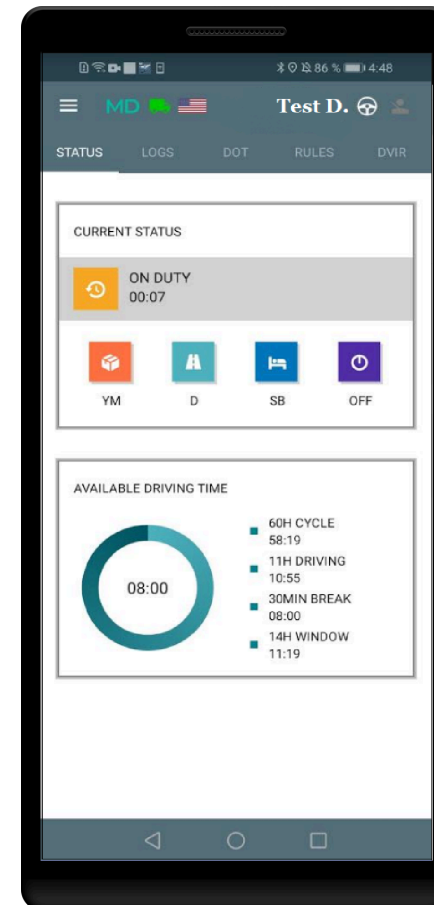

Points to re-check:

- your device should be connected to a charger;
- your device should be placed on a dashboard the way the DOT officer has a full view without entering a truck;
- you should be logged in to our system using your credentials.

1.  Sidebar menu
2.  Malfunctions indicator
3.  Truck connection
4.  The country rule set
5.  Current driver name
6.  Co-drivers' switch

7.  Status switch (current status)

8.  HOS counter

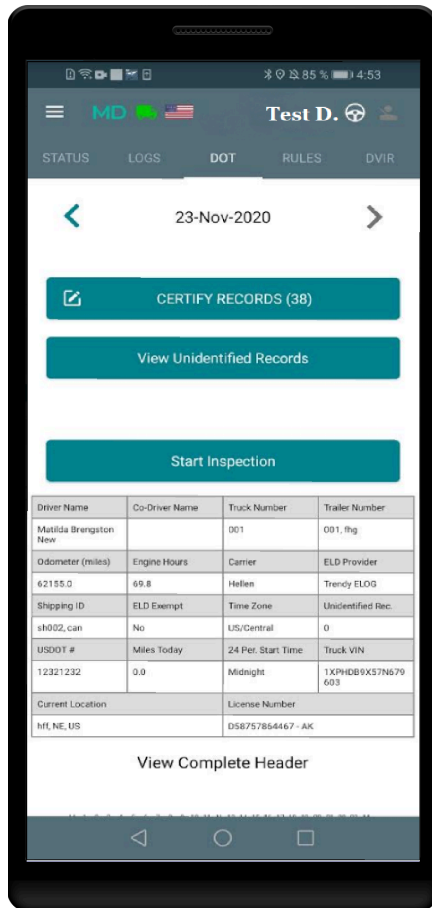

¹ TRD ELD is compliant with the Federal Motor Carrier Safety Regulations CFR §395.15 and 49 CFR 395.20 et seq.

TRD ELD is compliant with Section 83 of The Commercial Vehicle Drivers Hours of Service Regulations regarding the use of the electronic logging devices.

Inspections instructions

For a driver:

- Step 1: Open Inspection page
- Step 2: Pass the device to the inspector

For an inspector:

-  icon shows whether there are any malfunctions or data inconsistencies;
- truck icon  shows whether the truck is connected and the system is in the ELD mode;
- <> icons allow you to select a date to inspect;
- the form contains all data regarding vehicles, driver, and carrier;
- the graph shows the status change data;
- the table shows detailed data regarding each event.
